

Building an effective relationship between academia and practice: lessons from the SYTP

Dave Bosworth

Where are we now?

- We are an entity that has survived!
- There has been a cultural shift
- There is a degree of trust and respect
- Innovation
- New ways of working
- Relationships

Outcomes

- Enhanced practice focused curriculum
- Raising of standards in practice education
- CPD framework
- Research into practice
- As an HEI!

Examples of success: aligning the practice curriculum

- Initial review:
- What did the DfE want?
- What did practice need?
- What did the students want/need?
- The HEI perspective
- Practical outcome: 2 x 100 day placements
- Upgrade in practice education
- Ongoing review

CPD working in partnership

- Present:
- Social Worker in the Courtroom
- Future:
- SWE and CPD requirements
